APPLICATION FOR GENERAL ADMISSION

PLEASE NOTE: This application is not for the **Post Secondary Enrollment Options (PSEO)** program. The PSEO application may be obtained on our website at www.normandale.edu or by contacting the Normandale Office of Admissions at 952-358-8201.

APPLICATION AND ENROLLMENT INSTRUCTIONS

STEP 1: Complete an Application/Application Fee

- Submit the written application in person or by mail along with a non-refundable \$20 application fee to **Normandale Community College, Office of Admissions, 9700 France Avenue South, Bloomington, MN 55431**. Acceptance will be pending without payment of the application fee. Checks should be made payable to Normandale Community College.

A student who was suspended from another college or university for academic reasons within the year prior to their application to Normandale will be denied admission. Notification of denial of admission will be sent to the student with information about an appeal process. A student who was suspended or expelled from another college or university for disciplinary reason shall be denied admission. A student who has a financial hold at another MN State college or university will not be admitted until the financial hold has been released by the other institution.

STEP 2: Send Your School Records

- Submit official high school transcripts or a copy of GED scores. Students can apply before their graduation date and send an official transcript that reflects the applicant's graduation date once they have graduated. Final official transcripts must be submitted to the Office of Admissions prior to the end of the first term at Normandale.

Graduates of high schools that are not regionally accredited or recognized by the state may not be eligible for admission or for federal student financial aid.

- Transfer students need to submit official transcripts from all colleges and universities previously attended. Submitting official transcripts at the time of application will assure that the applicant meets Normandale's admissions criteria and may provide waivers from placement testing. To facilitate the transfer of students between MN State College and Universities, Electronic transcript retrieval is now possible among all MN State institutions for students who are enrolled or seeking to enroll. As a result it is no longer necessary for most students to order transcripts to be sent to another MN State institution.

Official transcripts must be prepared and sealed by the issuing institution in an envelope bearing the issuing institution's letterhead. To be official, transcripts must remain sealed until opened by the Normandale Office of Admissions.

NEXT STEPS

Within five business days of the receipt of the application, application fee and required transcripts, the Normandale Office of Admissions will send an acceptance letter with the student I.D. number.

STEP 3: Take the Placement Tests

- Arrange to take any required placement tests in reading, writing and mathematics as directed in the acceptance letter. Send official ACT, SAT, MN Comprehensive Assessments (MCA), Advanced Placement (AP), College Level Examination Program (CLEP), and International Baccalaureate (IB) courses or other score reports that may qualify for waivers from placement testing.

STEP 4: Attend an Advising and Registration Session

- When the placement testing requirements have been met, sign-up for an Advising and Registration session. During Advising and Registration, Normandale staff will assist with course selection and registration. Reserve a space at the earliest available Advising and Registration date by making reservations as directed in the acceptance letter.

For further information, contact the Normandale Office of Admissions at 952-358-8201.

PAYMENT OPTIONS

Financial Aid

Many students don't realize they may qualify for free federal and state monies to help pay tuition and other costs associated with attending college. All students, regardless of income, should complete the federal Free Application for Federal Student Aid (FAFSA). The Financial Aid Office recommends completing the FAFSA electronically at www.normandale.edu/finaid-apply. Normandale's Title IV School code is 007954. For more information, contact Normandale Financial Aid Office at 952-358-8250.

Payment Plan

A monthly payment plan is available through Nelnet Business Solutions and the Normandale Payments and Billing Office. This is not a loan program, but a budget plan allowing students to spread payments over the semester. There is a small administrative fee but students will incur no debt, credit, interest or finance charges. For further information about the Payment Plan, call 952-358-8242.
