

**Fall 2019
FINAL EXAM SCHEDULE**

Exam times are based on hours and days class is regularly scheduled. In determining time for exams, use hours of general section, not lab or discussion time and use Monday as the first day of the week. Exams will be held in regularly scheduled classroom unless a change is announced by instructor. If a class is scheduled in more than one room, the exam will be in the room used for the first class meeting for the general section.
