The Public Safety Department is reaching out to the campus community for help identifying the two suspects involved in a theft from auto incident that occurred on 11/14/2013. Victim left her vehicle in Parking Lot #3 from 9:00AM until 2:30PM. She came back to her vehicle and discovered her purse missing from her glove box. She reported the theft at 4:30PM to the Public Safety Department.

The Public Safety Officer assigned to the case reviewed security camera video footage. The two suspects were caught on video footage at 12:51PM entering the victim’s vehicle passenger compartment and opening the trunk. The suspects then left the area.

During further investigation, the suspects were seen casing and tampering with a handful of other vehicles in Parking Lot #3. The suspects were also seen on interior security camera video footage prior to the theft. Still images of the suspects are included with this advisory.

If you have any information about either suspect, we ask that you please contact the Public Safety at 952-358-8280 immediately and reference Incident Case #: 13-0194.

As always, report any suspicious activity to the Public Safety Department. All calls are taken seriously and will be investigated.

Thank you,

Normandale Public Safety Department
