

**Fall 2021  
FINAL EXAM SCHEDULE**

Exam times are based on hours and days a synchronous or hybrid class is regularly scheduled. In determining time for exams, use the day and time of the lecture or general section of the course, not lab or clinical time. Exams will be held online or in the scheduled classroom the face to face meetings have occurred unless a change is announced by an instructor. Use Monday as the first day of the week.

Classes which start on the half-hour use the hourly schedule, e.g. 4:30 classes use the 4:00 scheduled time.

Arranged Classes: Students enrolled in classes where the time is arranged should consult with the instructor regarding the final exam.

Classes which meet for fewer than 15 weeks: Classes which meet for fewer than 15 weeks but meet the last part of the semester will meet according to the exam schedule above.

Exceptions: Students are expected to take exams when they are scheduled. Exceptions for urgent personal reasons must be approved by the instructor. (These do not include vacation trips or part-time jobs.) Requests should be submitted in writing at least three weeks before the exam except in cases of illness. **Students should contact an academic dean to be allowed to reschedule exams for the following reasons: (a) two exams scheduled at the same time, (b) three exams in one day.**
