

Summer High School Enrollment Acknowledgement Form

As the parent or legal guardian, I give permission for my son or daughter to enroll in the Summer High School Enrollment program at Normandale Community College. I understand that summer enrollment is not part of the Post-Secondary Enrollment Options program and is not funded by the MN Department of Education. Therefore, it is the student's responsibility to cover all tuition, fees and cost of textbooks with payment by the established deadline. Financial aid is not available. Refunds are based on the published schedule for adding/dropping or withdrawing courses for the summer term.

As a student of Normandale Community College, my son or daughter must adhere to all academic policies and the Student Code of Conduct. My son or daughter is required to meet all course prerequisites and placement levels required for registration of the courses selected. Course(s) must be taken for a letter grade, cannot be pass/fail or audit. The grade(s) earned will be permanently posted on the college transcript. Selection of courses taken to satisfy high school graduation requirements must be approved by the high school prior to registration.

I further understand that my son or daughter is admitted to the Summer High School Enrollment program only and is not considered part of the Post-Secondary Enrollment Options (PSEO) or admitted as an undergraduate student for fall or spring semesters.
