

Minnesota Transfer Curriculum (MnTC) & Associate of Arts (AA) Degree

The Minnesota Transfer Curriculum (MnTC) meets the general education requirements for all public universities and colleges in Minnesota. To complete the MnTC, students must satisfy the requirements of each of the 10 goal areas with a minimum of 40 credits. (Note that some courses will count towards more than one goal, but the number of credits for those courses will only be counted once.)

The Associate of Arts (AA) degree includes the MnTC, 1 Health course, 1 Exercise Science course, and electives in college-level courses. A total of 60 credits are required for the AA, at least 20 of which must be completed at Normandale. Students must earn a minimum of a 2.0 cumulative GPA on both the MnTC courses and the AA courses in order to graduate. A graduation application should be completed during the last semester of courses.

In addition to the public universities and colleges in Minnesota, the following schools also accept the AA as satisfying their general education requirements:

- MN schools: Argosy University, Augsburg College, Bethany Lutheran College, Capella University, College of St. Scholastica, Concordia University St. Paul, St. Catherine University, and St. Mary's University
- WI schools: Northland College, UW River Falls, UW Stout, and UW Superior
- ND schools: Mayville State University, North Dakota State University, and University of North Dakota
