

MINNESOTA 21ST CENTURY DENTAL TEAM: TOWARD ACCESS FOR ALL

<http://www.normandale.edu/mndentalteam>

Coffee Talk #5: “Looking to the Future”

For each question choose the letter of the correct answer:

1. All of the following are true when considering inclusion of teledentistry into a collaborative dental hygiene practice, EXCEPT...
 - a. Future oral health providers must be prepared to utilize this technology.
 - b. It is difficult to acquire an examination by a dentist with the “store and forward” approach.
 - c. It requires a new method of achieving a working relationship between a dental hygienist and a dentist.
 - d. Expenses of purchasing the necessary equipment can be prohibitive for some programs.

2. What would be an advantage to incorporating dental hygiene services into the medical model?
 - a. The dental hygienist can provide clinical services with the authorization of a medical doctor.
 - b. Co-location provides a true comprehensive health plan for each patient.
 - c. The patient may receive medical and dental care at the same facility.
 - d. B and C.
 - e. All of the above.

3. Minnesota Health Care Programs reimburse dental providers for a teledentistry examination.
 - a. True
 - b. False

4. Read through the Collaborative Practice Authorization template at:
https://www.mndental.org/files/collab_agreement-template_final-July-2019.pdf

Choose the letter for each protocol that must be included in the agreement.

- | | |
|-------------------------------|-----------------------------------|
| A. Patient consent forms | E. Dental assistant services |
| B. Hours of operation | F. Medically compromised patients |
| C. Age and procedure-specific | G. Sealant efficacy plan |
| D. Dental records | H. Billing information |
