

FINAL EXAM SCHEDULE - Spring 2022

Final experience times are based on the day of the week and time of the class meetings whether face to face, synchronous, or hybrid delivery. In determining time for exams, use the day and time of the lecture or general section of the course, not lab or clinical time. In the case of hybrid classes, use the day of the week and time of the face to face class meeting.

Final experiences in face to face classes will be held in their normally scheduled classroom unless a change is announced by an instructor. Hybrid classes may have online or face to face final experiences as determined by the instructor. If the final experience is face to face, it will be scheduled using the face to face meeting time.

Except for Friday night or Saturday classes, finals week begins on **Monday, May 9th**. *Times may differ from previous Spring terms due to COVID safety protocols.*
