3. Internship hours: 80 hours
4. Prerequisites: CHWN 1000, 1100, 1200
5. Co-requisites: NA
6. MnTC Goals: NA

**Catalog Description**

The goal of the Community Health Worker/Navigator Internship is to provide students the opportunity to use the skills and tools they have learned and apply them to assigned agency's needs. Students will apply these skills of advocacy and outreach to help individuals and families reduce health disparities. Students will be required to complete a minimum of 80 hours of on the job training and coursework. The on the job weekly hours requirement will be an agreement between the organization, student and faculty advisor.
