

Dental Hygiene Application

Great News for Dental Hygiene Applicants: We now have a Baccalaureate degree completion pathway through a new “dual enrollment” opportunity with Metropolitan State University. Partnering with Metropolitan State, we now offer the AS/BSDH dual admission program with simultaneous admission to Normandale Community College’s Associate Degree (AS) program and Metropolitan State University’s Bachelor of Science in Dental Hygiene (BSDH) program. This unique partnership offers students the opportunity to complete specific bachelor’s level degree completion courses along with associate program courses on the Normandale campus. This opportunity provides Dental Hygiene students flexibility in their educational and career planning. For those who are anxious to obtain a BSDH degree this may be accomplished within one or two semesters after completion of the Associate Degree Program. **Completing this application automatically enrolls you at both institutions (cost saving application fees) and provides you with a new career laddering option.**

Application deadline is December 31st each year. Please note, the Dental Hygiene program requires high school graduation or GED. PSEO students are not eligible to enroll in the Dental Hygiene program.

Last name: _____ First name: _____ MI: _____		
Previous names used: _____ Normandale Tech ID # (required): _____		
Street address: _____ City: _____ State: _____ Zip: _____		
Normandale e-mail address or other preferred email: _____		
Home Phone # ()	Cell Phone# ()	Work Phone # ()
Date of birth: _____		

In order for your application to be processed, the six items listed below must be completed by December 31st.	
1. College-level mathematics placement: <ul style="list-style-type: none"> • Completion of college-level mathematics course with a grade of C or higher. Or: • Eligibility to take a college-level mathematics course (MATH 1080 Introduction to Statistics MATH 1090 STATWAY Statistics 2, MATH 1095 STATWAY Statistics: Accelerated, MATH 1100 College Algebra or higher) at the time of the December 31 deadline through: <ul style="list-style-type: none"> ○ An active placement through the Normandale course placement process; expired placements will not be accepted. ○ Completion of an appropriate developmental math course (MATH 0630, 0990, or 0995) within 2 years of the December 31 admission deadline with a C, P or higher. 	Grade
2. ENGC 1101 Freshman Composition or equivalent with a grade of C or above.	Grade

Misrepresentation of application information is grounds for canceling application. I certify the information I have provided on this application form and all other admission application materials are complete, accurate and true to the best of my knowledge.

Initial _____

SIGNATURE REQUIRED: _____ **Date:** _____

You are encouraged to make a copy of this application. Application questions should be directed to Kiara Taylor at 952-358-8417 or Kiara.Taylor@Normandale.edu.

SEND COMPLETED APPLICATIONS TO:

Normandale Community College
 ATTN: Kiara Taylor, A-2507
 9700 France Avenue South | Bloomington MN 55431

Or scan and email no later than December 31st to Kiara.Taylor@Normandale.edu

I choose **NOT** to pursue dual admissions with Metropolitan State University at this time. I understand this may delay the dual enrollment process if I choose to apply for the program later and there will be an additional application fee for Metropolitan State University. Even if you have a bachelor’s degree we strongly encourage dual enrollment, especially if you are applying for financial aid. If you have questions, contact Kiara Taylor at Kiara.Taylor@Normandale.edu or call 952-358-8417. Initial here. _____

Application requirements are subject to change.
