

## FINAL EXAM/EXPERIENCE SCHEDULE – Spring 2023

The final exam/experience week operates on a different schedule than the rest of the term. In determining final meeting times for fully face-to-face, hybrid, or synchronous courses, use the day and time of the FIRST (or only) lecture/general meeting of the course each week (not lab, studio or clinical times).

Final experiences will typically be held in courses' regular classrooms; however, since the final-experience week uses a different overall schedule, this may create conflicts resulting in courses meeting in a different space.

Except for Friday night or Saturday classes, finals week begins on **Monday, May 8th**. *Times may differ from previous Spring terms due to COVID safety protocols.*
