

Experience Scotland

Learn more 

There is much to learn in Scotland and, as such, our expectations of you will be high, completing 15 credits in the semester, choosing one course in each module. You will be using the local Scottish environment as a laboratory and incorporating this learning into your classroom experience. Start your application now!

Course Selection

Meet with your academic advisor once you've been accepted into the Experience Scotland program to discuss which course in each module will work best in your degree plan. It is a good idea to also register for courses at Normandale as a back-up plan. You can withdraw from these classes as you get close to your start date.

Financial Aid

Make an appointment with the Financial Aid Office at least four months before your intended start date. Bring this sheet to complete required forms and understand your budget for the semester abroad. Scan the QR code for program cost estimates. Appointments can be made at: finaid@normandale.edu

Scholarships

Several opportunities for additional funding are available through study abroad scholarships. Normandale's Academic Travel Scholarship Applications are accepted for any future study abroad program four times a year. Other scholarships are available externally. Plan early to meet deadlines. Information at www.normandale.edu/travel
