

Accounting Transfer Pathway (AS)

60 Credits

The Accounting Transfer Pathway AS offers students a powerful option: the opportunity to complete an Associate of Science degree with course credits that directly transfer to designated accounting bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

Students transferring to non-system universities are advised to consult with their intended transfer institution to determine transferability of the courses in this curriculum.

Core Courses – 30 Credits

ACCT 1052	Computerized Accounting	(2 cr)
ACCT 2251	Financial Accounting	(4 cr)
ACCT 2252	Managerial Accounting	(4 cr)

MATH 1095	STATWAY Statistics: Accelerated	4 cr

One course from MnTC Goal 3 (with traditional lab) (4 Credits)

Complete additional MnTC courses to reach 30 credits (5 Credits)

Other Degree Requirements

- Earn a minimum cumulative grade point average (GPA) of 2.0 for college-level coursework (courses numbered 1000 and above) completed at Normandale.
- Earn a minimum of 15 college-level credits at Normandale.

Coursework in this degree program satisfies a portion of the Minnesota Transfer Curriculum (MnTC). Please see MnTC Degree Audit Report.

Following degree completion, successful transfer to Minnesota State universities includes meeting the admission requirements for those individual universities and their related academic program.
