Normandale Community College, the Asian Cultural Club, the City of Bloomington, and Friends of the Japanese Garden, invites you to the AANHPI Heritage Celebration. This event honors the rich cultures and contributions of Asian American, Native Hawaiian, and Pacific Islander communities through art, music, food, and storytelling. Join us in fostering unity, learning, and appreciation across our campus and community.

Special thanks to our incredible volunteers, vendors & performers! We couldn't have done this without you!
