Subject: Important information about COVID relief funds

Dear {{Person/Core - First Name}},

Normandale received federal funding as a part of the American Rescue Plan (ARP) Act of 2021. These funds are to directly assist students who may be experiencing financial hardship as a result of COVID-19.

Direct payments were sent to students who meet the federal and state definitions of extraordinary need. Our records indicate you are **not eligible to receive a direct payment** based on your 2021-22 FAFSA. While you did not meet the requirements to receive the automatic award, we understand that you may need support to continue this semester.

If you need additional financial support:

Additional funds are available by applying for a Normandale Cares emergency grant. These funds are for expenses related to food, housing, transportation, child care, health care, classroom technology, course materials or academic support.

- Student emergency grants of up to \$1000 are available with the ability to reapply every 30 days for a maximum total of \$4,000 per student, as funds are available.
- To apply, click on the [application link](#).
- For more information, go to www.normandale.edu/normandalecares

Normandale is here to help. We are all in this together!

Sincerely,

Student Services
